

Christmas Fair and Lights Switch On – CANCELLED

Can you imagine that?

This is exactly what will happen this year unless Croston Village Festivities Group can get more volunteer members.

We have resources and equipment, what we do not have is enough volunteers.

The current group of volunteers are in general the same people who have been involved for the last 10 years. We desperately need new people to come and bring their ideas and vitality to keep the Christmas Fair and the Christmas Lights Switch On events going ahead.

We are holding a public meeting on Tuesday 11th September, 7:30pm, at Croston Sports and Social Club to gauge the support of the community.

Perhaps you are not bothered or you could help but do not have time for meetings but please come and tell us what you think, or email crostonfestivities@gmail.com.

**Without further support this year's events
will NOT go ahead.**
